

# Carter Bell

UX/UI Designer | Illustrator | Eagle Scout

## Experience

---

### Narrative Marcom + Design, Portland, OR

Production Assistant

November 2022 - September 2023

- Event coordination for Oregon Professional Educator Fair that provided services to hundreds of educators seeking work
- Production and creative direction assistance on dozens of projects for OSPA, Ford Family Foundation and OPEF

### Sherwin Williams

Sales Associate

June 2019 — September 2019 | June 2020 — September 2020

- Serviced hundreds of customers, contractors and designers seeking proper materials for projects
- Created relevant color palettes daily for customers' homes
- Communicated with and assisted direct large teams of staff to coordinate shipments, deliver materials and complete projects on time

### School Specialty Supply

Floor Operator

Summer 2022 | Summer 2023

- Managed hundreds of product shipments to all over the United States
- Worked alongside a team to ensure consistent quality and timeliness

## Education

---

### University of Oregon, Eugene, OR

Bachelor's of Science - Art and Technology

September 2018 – June 2022

I graduated from the University of Oregon with an Art and Technology degree with a focus on coding and illustration. Through those four years I enjoyed classes which covered primarily Art and Design alongside programming, German language speaking and linguistics.

### University of Oregon/EdX, Remote

UI/UX Design Certification

May 2023 – November 2023

Over the course of six months I participated in a rigorous UI/UX remote bootcamp that aimed to completely prepare students for a career in User Experience design. I worked solo and in teams to create professional level prototypes and presentations.
